YZ65 PLASTIC BODY KIT

BR8-W003A-00-00 CHF 209.–

Complete plastic body kit with all OEM parts.

- Convenient ordering with all plastic body parts required with 1 partnumber.
- best fitment
- oem parts/quality
- complete kit including the integrated washers Lighter than original components.
- perfect for refurbishment
- more lightweight compared to aftermarket
- stronger than aftermarket

YZ65 HEAVY DUTY CLUTCH KIT

BR8-E63HD-KT-00 CHF 1'149.–

Complete GYTR-Clutch kit. All GYTR parts are precision machined from aerospace-quality aluminium alloys with a unique hard coating

- The GYTR Clutch Components provide superior performance and clutch feel, as well as excellent component durability.
- he patent-pending „auto oiling system“ forces oil through specially cut holes in the pressure plate, into the inner hub, and then to the clutch plates.
- Results in improved clutch performance, with lower clutch temperatures, less clutch expansion and extended clutch life.
- Less rotational mass for improved acceleration
- Lighter than original components.
- Race-proven durability
- Weight saving

Kit is complete with OEM parts like;

- Springs
- friction plates
- Steel plates
- Gasket

YZ65 MX GLIDE PLATE STICKER

BR8-F14B0-GH-00 CHF 9.–

Replacement sticker to make skidplate look like new again.
