N22-BD008-B0-75 (black)

Lightweight, sporty rear carrier rack for your Yamaha

## STEM MOUNT SP

YME-FSTMM-00-02

STEM MOUNT lets you mount your smartphone to your supersports motorcycle in seconds. Just screw this sleek aluminium mount into the stem of your motorbike and you can easily mount the SP Connect TM PHONE CASE by placing it on the mount and turning it 90° clockwise. Your mobile phone is securely positioned in your field of vision.

- Portrait / Landscape Orientation Option
- Stainless steel hardware
- For diameters 12-30mm

## BAR MOUNT PRO SP

YME-FMKIT-00-02

Attach your SP Connect Phone Case, or other SP Connect™ compatible devices to your Booster with the MOTO MOUNT PRO. The mount is CNC milled out of aircraft grade aluminum and fits standard and oversized handlebars. To further protect your smartphone the mount also has a unique vibration dampening system that cuts G-forces by up to 40% (depending on bike & phone model). You can mount it with the positioning arm or as a direct clamp mount - both versions allow 360° rotation to find the perfect position.
